

**Income, Poverty, and Health Insurance Coverage/ACS Data: 2006  
News Conference  
August 28, 2007, 10:00 a.m. – 11:00 a.m. (EDT)**

**How to Access the Live Webcast and Audio Listen Line**

**Accessing the Live Webcast**

You can access the webcast signal beginning at 9:30 a.m. on August 28. Just visit the online income and poverty news conference page by clicking on the icon in the center of the Census Bureau home page ([www.census.gov](http://www.census.gov)).

You'll be able to view the slides and presenters, while listening to the news conference – but **you must have either Windows MediaPlayer or RealPlayer installed on your computer**. If you need help downloading either software, please contact your IT personnel in advance of the event. Only media attending the news conference in person may participate in the question and answer session.

An archived version of last year's news conference is available at:

<<http://connectlive.com/events/census/archive.html>>

This webpage contains 19 archived Census Bureau webcasts, including last year's Income, Poverty, Healthcare Insurance Coverage/ACS Data news conference. There are also links available for a closed captioned version.

**Accessing the Toll-Free Audio Listen Line**

Media and others who prefer to listen to the news conference by phone can do so by dialing 888-622-5357 (PIN code: 989192). Only media attending the news conference in person may participate in the question and answer session.
